Ref EXS/10

Dear Parent/Carer and Year 10 student,

Re: Year 10 Exam Skills on Monday and Wednesday 3.30pm-4.30pm

The Cumberland School will be starting Year 10 Exam Skills sessions every Monday and Wednesday between 3.30pm and 4.30pm until the end of the term.

Your child will complete English Exam Skills on a Monday and Maths Exam Skills on a Wednesday. It is vitally important that your child attends these sessions and that we work together to ensure your child achieves their maximum potential. These sessions are compulsory.

With the raising of aspirations across the school it is imperative that your child makes the most of the support that they can receive from staff at school. This will be the first of a number of interventions that will be put in place during this final year of their GCSE courses. We are fortunate that the maths and English teams have agreed to run these sessions for year 10 in the summer term. We have never been able to do this before.

The sessions will involve reviewing key topics that have been taught in class and most crucially, there will be an opportunity for them to deepen their understanding of how to successfully sit exams by practicing a range of questions and tests in exam conditions.

I look forward to seeing your child in exam skills. If you have any questions or concerns, please do not hesitate to contact me at stephen.robinson@cumberlandcst.org

Yours sincerely,

S. Robinson
