Dear Parent/Carer,

Re: Year 11 Exams and Revision Sessions

This letter is to inform you that Year 11 students will be expected to attend all relevant lessons and revision sessions until the end of their GCSE examination period. For most students this will be Tuesday 18 June. For those not doing statistics it will be Friday 14 June.

Students are expected to attend school to undertake their scheduled exams and the bespoke revision sessions arranged to coincide with the exam schedule. Y11 lessons continue as timetabled for all subjects with exams still remaining. Attending up until the final exam will give them the best possible opportunity to do well. Please see below the schedule for the final week and a half for year 11.

I would like to stress the importance of the remaining lessons, revision sessions and examinations. Please ensure that your child is also revising for their remaining subjects at home in their own time.

Exam results will be available for collection on Thursday 22 August 2019 from 10.00am-11.30am.

If you have any questions, please contact the school on 020 7473 7500.

Yours sincerely,

S. Rahman

Shuabur Rahman
Deputy Headteacher
