

# Student guide on how to access Virtual Classroom

**Step 1** – Log on to your RMunify account from home using your log in details  
Click on the Virtual Classroom icon shown in the image below.

**Step 2** – When the google sheet loads up, find your subject teacher in the list and click on the link with the column headed 'Google meet address'. For safeguarding reasons ensure your camera is turned off.

The second column with the heading 'Additional Student Information' will allow you to view the class room whiteboard for your teachers lesson.
