

Determined, ambitious learners

22 September 2020

Dear Parent / Carer

You will find a form below to complete so that the school can be best prepared in the event that the Government imposes a local or national lockdown. This will give us important information about whether or not you are a key worker. The form will allow us to make plans for the provisions for the children of key workers and vulnerable students involved with social services.

Click [here](#) to complete the form.

For the latest updates from the Government, see [here](#).

Be assured that this information is so that we can prepare for a smooth transition should the Government guidance change. Our teachers will always do their utmost to continue to provide a quality education to your child.

Thank you for your ongoing support.

Yours sincerely

Omar Deria  
Head of School
