

Determined, ambitious learners

11th May 2020

Dear Year 9 Parents/Carers,

Re: Year 9 Parents' Evening and Virtual Learning

I hope you are all well and safe during this difficult time. As you know due to Covid-19 we had taken the decision to cancel Year 9 Parents' Evening. I hope you understand that, in these unprecedented times, we have had no other option but to take this course of action. Although I am disappointed that I am unable to meet with you, there will definitely be more opportunities in the future.

At The Cumberland School we feel it is vital for our students to continue with their education; therefore students are required to log into virtual learning and attend all of their lessons by following their timetable. They must take part and submit work to their subject teachers just as they would do if they were in school.

Please continue to support and encourage your child's progress by ensuring they are logging into the Dynamic Progress Report (DPR) daily. We will continue to monitor attendance, engagement with DPR and completion of work to the highest of standards.

I would like to take this opportunity to remind you that the Y9 team is available to support and assist with any issues regarding Virtual Learning or students' emotional, mental health and wellbeing. Please get in contact with me on the school number or via email to tasrin.shahana@cumberlandcst.org and we will get back to you. We miss the students dearly and despite not being able to see them on a regular basis we are doing everything we can to support our Year 9s to stay focused, engaged and determined to keep going until the school re-opens.

Thank you for your continued support.

Stay safe.

Yours faithfully,

Ms T. Shahana
Head of Learning Y9
