

Determined, ambitious learners

22nd June 2020

Dear Parents/Carers

I hope you are doing well and keeping safe.

I am writing to inform you that due to staff training, there will be no online lessons on Friday 26th June 2020. The school will only be open for a small number of students who will continue to attend as normal. Teachers will set your child independent work on the DPR for them to complete. It is important that your child completes the work and they submit it once it has been completed so that teachers can assess it. Online lessons will resume again from Monday 29th June 2020 at 8:30am. The school will also reopen for then for the limited number of students who have already been attending the school.

We are proud to announce that our school has received the 'Staying COVID-19 Secure in 2020' certification compiling with the government's guidance on managing the risk of COVID-19. This involved carrying out risk assessments and providing cleaning, handwashing and hygiene procedures in line with government guidelines.

I would like to take this opportunity to thank you for your continuous support during these challenging times.

If you require any further information, please do not hesitate to contact your child's Head of Learning or email contact@cumberlandcst.org and someone will contact you directly.

Yours sincerely,
