Dear Parent/Carer

GCSE Virtual Parent Information Afternoon

I would like to take this opportunity to let you know that The Cumberland School is hosting its first virtual parent information afternoon session. The event will take place during a live Zoom session and will give us the opportunity to discuss how we, as a school, are supporting your child with their subjects and also how you can help them during this crucial time.

We have staff speakers from all areas that will provide you with information including our heads of learning, lead teachers in core subjects and the Head of School. We will also be giving advice about how our curriculum can be accessed on the DPR and taking a look into careers.

The event will take place on Thursday 2nd July 2020 at 4:00pm. The link for the meeting is provided below along with the password you will be required to enter to access the session.

I am looking forward to welcoming you all to the session and would like to thank you for your ongoing support and for working in partnership with the school.

Yours sincerely

K Jagwani
